## SUMMER PROGRAMS

“**Discovering Spain**” is an immersive educational initiative designed to help participants understand, experience, and live the Spanish language and culture in an authentic environment. To cater to different age groups, interests, and learning objectives, the program is offered in **three distinct formats**:

### 1. DSIM - Discovering Spain Immersion Program (8 Days Program)

A comprehensive cultural and educational experience that includes visits to multiple schools, historic monuments, and traditional markets across Spain. The program is enriched with interactive **Spanish language learning workshops**, enabling participants to engage with the language in real-life contexts while experiencing Spanish daily life and traditions.

### 2. MAD Cup Program (7 Days Program)

The **MAD Cup** is an international youth football tournament held in Madrid, bringing together teams from across the world in a highly competitive and multicultural environment. The program combines elite football competition with cultural immersion, allowing participants to experience Spain beyond the pitch.

(For more information, visit - [www.madcup.es](http://www.madcup.es))

### 3. CCEE 40-Hour Spanish Language Program for Adults (15 Days Program)

An intensive and structured **40-hour Spanish language course** designed for adult learners, focusing on practical communication skills. Developed by the renowned CCEE, the course offers personalized instruction tailored to the individual needs of non-native learners.

Acquiring proficiency in Spanish significantly enhances employability, particularly with companies operating in Spain, Latin America, and the United States, making Spanish a valuable asset across more than 21 Spanish-speaking countries.
